

HCVS 60th ANNIVERSARY EVENT AT GAYDON ON THE 28th and 29th JULY 2018

2018 Takes us to the 60th Anniversary of the Historic Commercial Vehicle Society.

To celebrate this event we wish members to bring all classes of commercial vehicles to the event. Also we wish to invite other one make clubs to the Gathering at the British Motor Museum at Gaydon on the weekend of July the 28th-29th 2018.

The event is over two days with free camping for entrants from the evening of the 27th. We wish to see all commercial types of vehicle right through the ages along with some as found and part restorations. Models will also be on display in the main museum.

This anniversary gathering is for all members along with friends and public. We wish to make this the largest gathering of HCVS vehicles.

Great catering and entertainment will also be provided along with auto jumble and trade stands.

The Historic commercial vehicle society is a registered charity and promotes the preservation, restoration and operation of Historic Commercial Vehicles.

Further updates will appear over the next few months' entry forms can be downloaded or available from the British Motor Museum Gaydon.

Entry forms will need to be returned to Gaydon
